

Safers™

Ultimate protection

Secure enclosure for high value accessories.

Safers provide a secure enclosure for high value accessories that can be easily concealed. Designed for shelved merchandise and peg hooks, Safers clearly display merchandise and the product marketing message while protecting the merchandise inside with a lock that cannot

be defeated. The integrated hang tab cannot be removed, making it ultra-secure when combined with an InVue locking hook. Safers are a part of InVue's exclusive OneKEY ecosystem™, the only storewide single key security system that protects high theft merchandise.

FEATURES AND BENEFITS

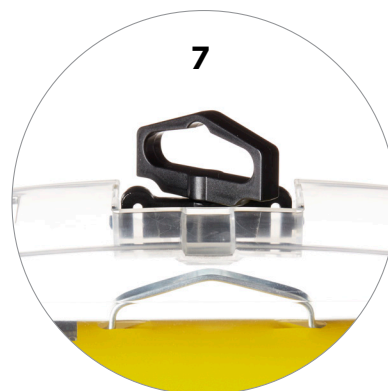

- 1** OneKEY™ compatibility for fast access to merchandise to better serve the consumer.
- 2** IR locking system provides superior security versus traditional magnetic or mechanical locks.
- 3** OneKEY times out after 12 hours, making a lost or stolen key useless.

- 4** Designed to fit and protect today's high value accessories.

- 5** Integrated hang tab cannot be removed making is highly secure when combined with an InVue locking hook.

- 6** Alarms EAS towers for either AM or RF.

- 7** Safers with a swivel hang tab is also available.

A storewide single key solution to increase profits.

Safers are part of the exclusive InVue OneKEY ecosystem™, a storewide single key solution that improves customer service, increases sales and provides high theft protection.
