

## K-Lock zips for Laptops

# Simple. Fast. Secure.

Optimal balance of security and high customer experience for laptops, notebooks and monitors.

K-Lock, one of the Zips for Laptops solutions, is the ideal merchandising and enhanced security solution for laptops, notebooks and monitors. Available in both alarm and non-alarming options, the modern design both cleanly displays products and elevates the customer experience. Featuring

a high security, cut resistant steel cable and plate, this solution balances the demand for maximum security with a highly interactive in-store customer experience. Minimize theft, upgrade the interaction experience and boost sales of high value consumer electronics.

K-Lock is part of the exclusive InVue OneKEY ecosystem™, a storewide single key solution that improves customer service, increases sales and provides high theft protection.

**OneKEY**™  
ecosystem
