

## L430 OneKEY Self-latching Drawer

# Self-latching protection for locked-cabinet merchandise.

The L430 OneKEY Lock provides worry-free, self-latching protection for locked cabinet merchandise. The L430 is uniquely designed to operate without a battery or power source, allowing it to be seamlessly integrated into new or existing furniture. Its inconspicuous appearance helps to streamline any design. L430 solves the problems of traditional mechanical locks, such as employees leaving keys in locks or breaking keys off in locks.
