

## L440

# Self-locking protection. Sales-boosting performance

Designed to work with any glass swing out door cabinet.

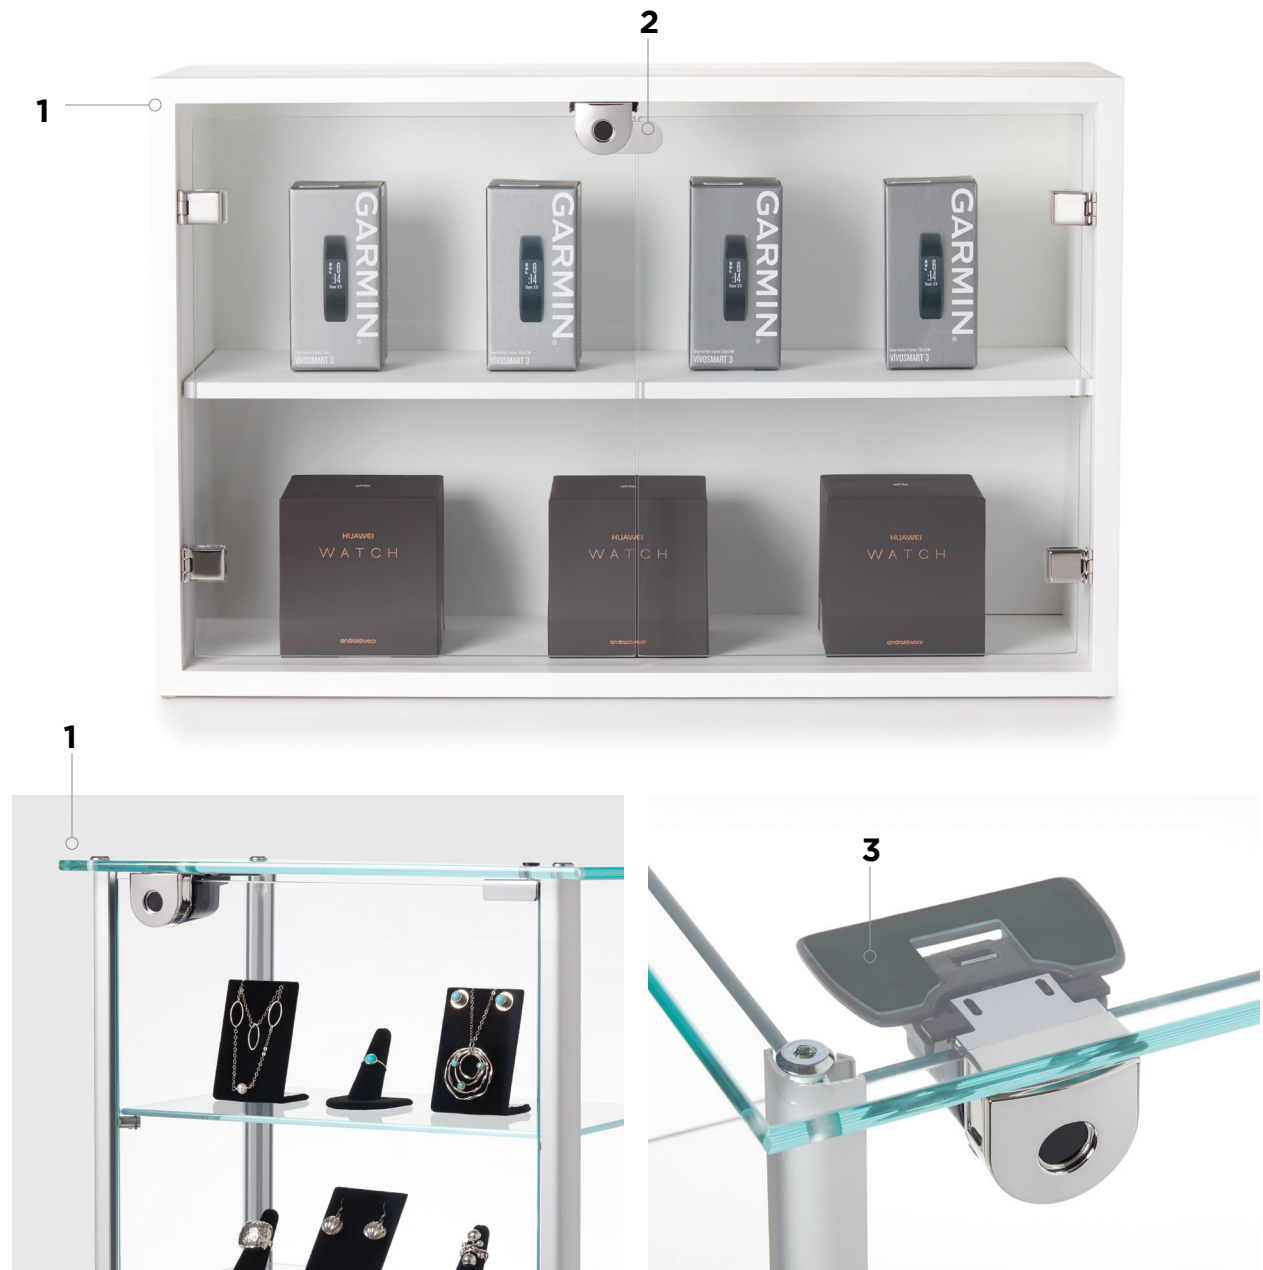

With Smart Lock, retailers can increase their profits by making merchandise accessible and empowering their associates to service customers. Smart Lock provides reliable and robust security for inventory placed in cabinets, while enabling a positive customer experience.

The L440 Smart Lock is specifically designed for swing out glass doors and incorporates a self-locking feature that ensures the cabinet is locked when closed. The streamlined design allows for optimal merchandise display. L440's locking mechanism is behind the glass, inside the cabinet – greatly improving defeat resistance!
