

# OnePOD Camera

## The complete camera display, analytics & security solution.

OnePOD™ Camera is the superior security display solution that protects both camera and camcorder bodies and high value lenses. Leveraging the power of OnePOD, this solution ensures maximum theft protection and delivers an aesthetically pleasing merchandising platform

to enhance the customer experience. Featuring power on demand, cross-merchandising capability, software analytics, and quick nightly removal, OnePOD Camera caters to retailers wanting to both showcase and protect high value cameras and camcorders.

## FEATURES AND BENEFITS

- 1 Versatile lens security (shown below with hidden lens sensor).
- 2 Widest range of battery couplers for multiple camera brands.
- 3 Sturdy sensor stand configuration.
