

OnePOD™

**If your security solution
doesn't increase sales,
you need One that does.**

We've redesigned PODs from the inside out, and the result is a new product platform that elevates the customer experience, improves operational efficiency and has a consistent look across all

stands. And with advanced data and analytics, OnePOD™ enables you to maximize every sales opportunity, at every store, and every display — every day. That's the Power of OnePOD.

Don't let thieves design your customer experience.

ONE DESIGN

For consistent storewide visual merchandising.

ONE EXPERIENCE

Delivering an inviting and meaningful customer experience even in a high security environment.

Enabling you to engage customers with high value accessory cross-merchandising.

ONE PLATFORM

One common platform that allows you to control where and how much security is needed.

ONE KEY

InVue's exclusive OneKEY provides you a storewide single key solution that elevates the in-store experience to improve your profits.

OnePOD SAVES TIME & MONEY

On installation, remerchandising, maintaining your planogram and nightly removal:

- › Reduces installation time
- › Reduces remerchandising time
- › Reduces cost of maintaining planogram compliance
- › Reduces time to perform nightly removal and lock up

OnePOD REDUCES THEFT

Scalable solutions allow you to minimize theft during store hours and after:

- › Easier lock down mechanism
- › Faster nightly removal
- › Robust high security construction
- › New high security arms

OnePOD PROVIDES INSIGHTFUL ANALYTICS

Software applications enabling you to understand how consumers interact with display merchandise:

- › Insight: know what's on display and gain valuable shopper insight
- › MicroSigns: on device app for cloud-based pricing and content management
- › Access Manager: control internal theft

OnePOD™ at a glance:

FEATURES AND BENEFITS

- › Cross-platform compatibility
- › Minimal design aesthetic allows merchandise to be the hero
- › Elevated customer experience
- › Internal audit
