# Ultimate protection.

Secure enclosure for high value accessories.

Safers provide a secure enclosure for high value accessories that can be easily concealed. Designed for shelved merchandise and peg hooks, Safers clearly display merchandise and the product marketing message while

protecting the merchandise inside with a lock that cannot be defeated. The integrated hang tab cannot be removed, making it ultra-secure when combined with an InVue locking hook.

Safers are a part of InVue's exclusive OneKEY ecosystem™, the only storewide single key security system that protects high theft merchandise.
