

Zips!

Simple. Fast. Secure.

Versatile and scalable, Zips features alarm, power and high security options.

Zips provides secure protection for a wide range of merchandise and consumer electronic devices on display. As the only complete solution for powered and non-powered accessories or consumer electronics, Zips offers multiple

attachment and power sensors for both standard and high security applications. With Zips, create dynamic displays with minimal operational investment to increase sales.

Zips is part of the exclusive InVue OneKEY ecosystem™, a storewide single key solution that improves customer service, increases sales and provides high theft protection.

OneKEY™
ecosystem
