SABEL

Overview

A visually engaging display invites customers to experience products in their truest form - without cords or wires. Retailers can choose their desired security settings.

Features and Benefits

- 1 Consistent look and feel across tablet and smartphone displays
- 2 Alarm sensor cannot be blocked or disrupted
- 3 Streamlined sensor design provides device stability
- 4 Set security parameters by determining your Alarm Zone and Secure Zone
- 5 Sensor alarm will sound when device crosses the zone limit
- 6 Alarm Node flashes red and provides a louder alarm to enhance display security
