

LIVE OnePOD Quick-Release

Release the experience.

Automated bracket release for immediate customer engagement.

ALL-IN-ONE SOLUTION

The only solution that scales from a fully locked down position to a free device experience in seconds.

STORE PERFORMANCE

Speed up nightly removal and remerchandising without the need for tools, consumables, or obstacles.

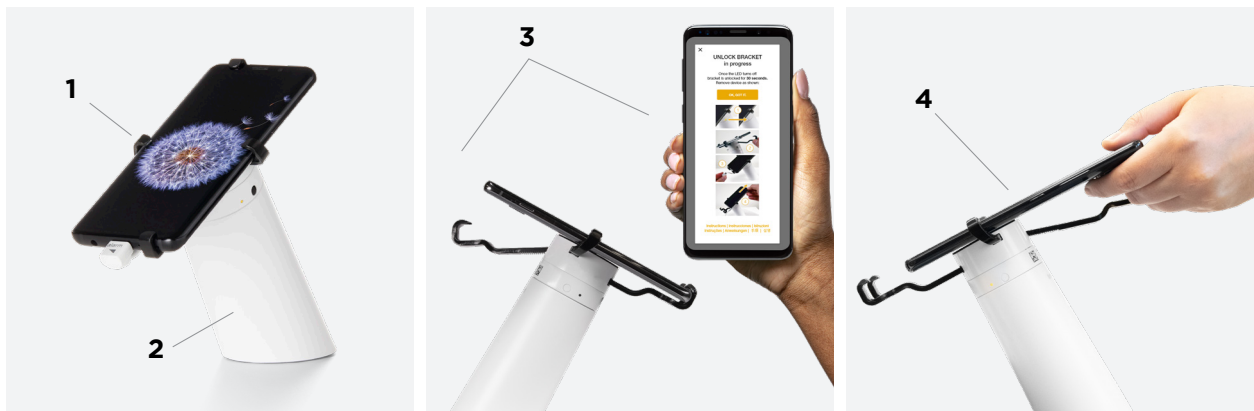

ACTIONABLE INTELLIGENCE

Measure customer engagement and merchandising performance.

InVue’s LIVE OnePOD Quick-Release brackets gives brands and retailers a tool-free, automated way to transition devices from maximum security to maximum experience.

FEATURES AND BENEFITS

- 1** Handheld or tablet assembly installs quickly without adhesives or tools
- 2** Compatible with One55, One60 and One65 stands
- 3** One or all devices release from brackets via mobile app
- 4** Hand trusted customers a free device experience in seconds, on top of quick nightly removal

LIVE OnePOD together with InVue’s **LIVE Display** software equips store and corporate leaders with control and actionable insights across their enterprise.

For Daily Operations:

- ✓ Intuitive mobile app to control each display
- ✓ Alerts that prompt action
- ✓ Quick nightly removal and remerchandisingdiagnosis

For Enterprise Strategy:

- ✓ Remerchandising verification
- ✓ Store operational insights
- ✓ Monitor and report on customer engagement
