

Cable Lock Anchor

Instantly secure, effortlessly remerchandise.

Versatile Security for Any Tethering Application

Cable Lock Anchor adapts to a wide range of display needs — from tethering a product on display or securing sell-through merchandise to a fixture. Built-in alarming protection and fast authorized access help keep products secure without slowing down associates.

FLEXIBLE DISPLAY

Double-sided security solution protects merchandise and anchors to a variety of fixtures.

CUSTOMER INTERACTION

Gives customers an authentic experience by encouraging hands-on trials.

EASE OF USE

Associates can quickly remerchandise products on a fixture with InVue's OneKEY™.

Proven Performance in Every Detail

RIGHT LENGTH FOR THE RIGHT DISPLAY

Different cable lengths provide flexibility to secure a variety of merchandise.

ALARMED PROTECTION THAT TRAVELS WITH THE PRODUCT

An 86 dB alarm and visible LED indicator deter tampering, while EAS integration reinforces protection at the door.

CLEAN DISPLAYS WITHOUT COMPROMISE

The coiled cable stretches when needed and retracts when not in use — keeping fixtures organised and visually appealing.

TWO SECURE ATTACHMENT POINTS

Designed to attach firmly to both fixture and merchandise — creating a stable, dependable security foundation.

FLEXIBLE SECURITY FOR ANY MERCHANDISE

Secure virtually any item — from power tools to apparel — with a solution that adapts to the product, not the other way around.

BUILT FOR EASY REMERCHANDISING

Move, reset, and reposition products without replacing hardware — ideal for seasonal or evolving displays.

FAST ACCESS WITH ONEKEY

Part of the OneKEY ecosystem, allowing authorised associates to unlock quickly and remerchandise without delay.
